PROGRAM BOOK

Dear Friends,

When we founded Maestro Cares Foundation, we shared a belief that continues to guide us today: every child deserves the opportunity to grow, learn, feel supported, and dream of a brighter future. Fourteen years later, we remain inspired by how far that belief has carried us—and by the extraordinary community that continues to make this work possible.

In 2026, we celebrated five project grand openings across Puerto Rico, Colombia, Mexico, and California, while continuing to advance new projects throughout Latin America and the United States. We also saw significant growth in our Scholarship Program, reaching more than 200 active Maestro Cares Scholars, up from 150 last year. Together, these milestones reflect our commitment to creating both the spaces and opportunities that help children and young people build stronger futures.

Every milestone we celebrate is made possible by the generosity of our sponsors, partners, and supporters. Thank you for continuing to believe in this mission, for standing alongside the children and communities we serve, and for helping us continue changing lives and building dreams.

With gratitude,

Marc Anthony

Dear Friends,

It is our pleasure to welcome you to Maestro Cares Foundation's 13th Annual Changing Lives, Building Dreams Gala. Tonight brings together an incredible community of friends, partners, sponsors, and supporters united by a shared commitment to creating meaningful opportunities for children and families across Latin America and the United States.

This evening is an opportunity to celebrate the people behind the mission and the impact made possible through their generosity and support. Tonight, we will also hear firsthand from a Maestro Cares Scholar and a family impacted by Ronald McDonald House Charities of South Florida, whose stories bring the work of the Foundation to life and remind us why this mission matters.

As we gather to celebrate, we also look ahead to the work still to come. Thank you for being here, for supporting this important mission, and for helping ensure that more children and young people have the care, resources, and opportunities they need to thrive.

With gratitude,
