Dear supporters and friends,

This past year has brought a whirlwind of changes to the world. At Maestro Cares Foundation, we are making innovative progress to continue our mission. Now more than ever, our work matters.

We proudly expanded our reach to support 21 projects in 12 different countries. In 2019, Maestro Cares Foundation inaugurated 1 rehabilitation center, 3 homes, 3 schools, 6 baseball fields and expanded an orphanage!

We have made tremendous progress over the past eight years, but there is still more to do.

Through the continual support and partnership with selfless advocates, we live each day by our belief that creating healthy and safe environments to live, learn and play will help form tomorrow’s leaders who will make a positive impact on the world.

Thank you for joining us in Changing Lives, Building Dreams.

To our friends and family,

THANK YOU! The work we have done at Maestro Cares Foundation would not have been possible without you.

Since the beginning of Maestro Cares Foundation in 2012, we have had great success in creating healthy and safe environments for children to live, learn and play. This annual report reflects our collective impact and highlights the successes we achieved working together in 2019.

Maestro Cares Foundation is defined by you: volunteers, contributors, nonprofits, community and corporate partners whose passion and dedication helps us make a positive impact on the lives of thousands of children and families across twelve countries.

We have much to be proud of and even more by which to be inspired. It is only by working together that we are able to address our community’s biggest challenges. We thank you for your passion and commitment to our work and fighting for the children we serve.

This 2019 Annual Report is released against the backdrop of the COVID-19 pandemic – a pandemic that represents a shared global struggle against an invisible enemy. This has placed our mission of creating healthy and safe spaces at the forefront of our minds and hearts. We are so grateful for your continued support during these challenging times.

Thank you for joining Maestro Cares Foundation in making life-saving changes in the lives of the most disadvantaged children and families across Latin America and the United States.

It is with great appreciation that we highlight the Marta Bedoya de Claure Foundation (MBDC) for our annual partner profile.

The Marta Bedoya de Claure Foundation was founded in 2010 by Marcelo Claure in honor of his beloved mother, Marta Bedoya de Claure. The Foundation supports other charitable organizations in furtherance of their purposes, including initiatives in the areas of education, poverty alleviation and health. The Foundation has a strong focus on supporting people, particularly children, afflicted by cancer through its grant gifting program.

Maestro Cares Foundation’s meaningful partnership with the Marta Bedoya de Claure Foundation began in 2012 with our first project in Dominican Republic. Since then, MBDC has continued to support our mission and projects. In 2019 the Marta Bedoya de Claure Foundation partnered with Maestro Cares Foundation on two projects in Bolivia.

Most recently, the MBDC Foundation embarked on a new project with Maestro Cares Foundation, this time to create a scholarship fund that will provide financial aid for students attending 4-year universities in Bolivia and Latin America.

“We are very excited about our joint Scholarship Fund with Maestro Cares Foundation. I’ve always thought education is key to advancing our societies, creating opportunities and prospering our youth. Our Scholarship Fund will contribute to the youth in Latin America and help in achieving these important goals.” said Marcelo Claure, President, Marta Bedoya de Claure Foundation.

To date, MBDC Foundation has made over 30 grants and gifts to a wide variety of organizations and continues to strengthen its impact through these partnerships.

Thank you Marta Bedoya de Claure Foundation for your commitment and passion for changing lives and building dreams!
